Republican Kevin Kiley says... **Political Correctness is Ruining our Nation**

Last week, the New York Post newspaper was the first to report that a 54 page document put out by the Obama Administration instructs education officials around the country **to stop calling criminals, criminals.**

Check it out at:

<http://www2.ed.gov/documents/beyond-the-box/guidance.pdf>

**The booklet says they should be called
“justice-involved people.”**

**It's time to stand up and SAY NO
to politically correct insanity**

***Elect a Tough, Republican Prosecutor
to the State Assembly - Kevin Kiley***

Kiley is a straight shooter who won't mince words or back down to the liberals at the State Capitol.
