Cristi Nelson for Assembly

THE TRUE CONSERVATIVE LEADERSHIP WE NEED...

www.CristiNelson.org

- 1** **Protect our water** and keep it in Northern California – and fight for increased water storage
- 2** **Defend Prop 13** and strongly oppose all tax increases, because the government already takes too much from hardworking families
- 3** **Stop wasteful and reckless spending** like the “high-speed” rail boondoggle
- 4** **Eliminate burdensome regulations** so businesses can grow and create jobs
- 5** **Strengthen public safety** by working with local law enforcement to keep criminals off our streets and behind bars
