Re: Withdrawal of Petition for Incorporation of Town of Olympic Valley

Dear Ms. Berry:

The undersigned are the chief proponents of the pending petition to incorporate a Town of Olympic Valley. With regret we hereby withdraw that petition. We firmly believe the Town was fiscally viable and would have benefited not only our community but neighboring communities as well. However, it is clear that the hostility to our proposal from the County and others has made it hard for your Commissioners to support our proposal. We will continue our work to increase the quality of life in Olympic Valley and throughout the North Tahoe region.

Very truly yours,

Dr. Fred Ilfeld
